Why do businesses choose Caption.Ed?

Admin Control

With Caption.Ed Enterprise, you've got access to an intuitive admin dashboard. This powerful tool empowers you to manage accounts, licenses, and monitor usage efficiently. This means that you can assign and reassign seats as frequently as required, putting control at your fingertips.

Dedicated Customer Success Manager

As one of Caption.Ed's Enterprise clients, you get access to your very own Customer Success Manager from day one. They'll work closely with you to ensure a seamless onboarding process and smooth rollout of Caption.Ed across your organisation. Your organisation's point of contact will also receive one-on-one training during the initial set up of Caption.Ed, with ongoing support from your CSM if required.

"Caption.Ed has enhanced my life and 100% increased my productivity. You don't have any idea how much of a difference this has made to me."

EMMA - COUNSELLOR, PSYCHOTHERAPIST AND SPECIALIST SUPPORT MENTOR

SSO Provision*

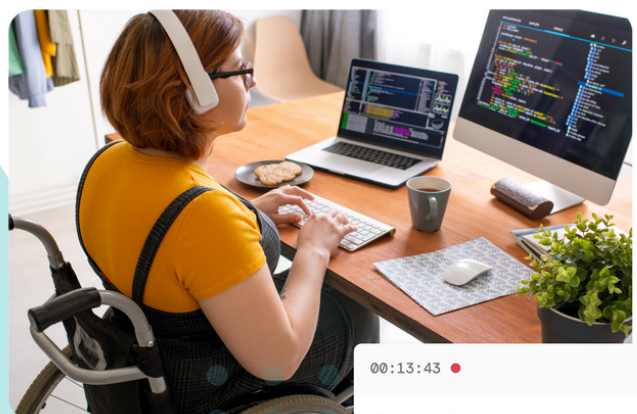

For those seeking the added convenience and security of Single Sign On (SSO), we offer this feature as an additional paid-for option. Speak to a member of the sales team before finalising your order if you would like to explore adding SSO to your account.

Customer Support via Email, Webchat and WhatsApp

Caption.Ed provides UK-based customer support. Our dedicated team work directly with users to solve any queries they may have and are available Monday - Friday, 9am - 5pm, via email, webchat and WhatsApp.

Safe, Secure Data

Caption.Ed's data is safely controlled and stored in the UK, according to GDPR. Organisations can also request to have session data auto-deleted if your policies require that extra level of security. We're also Cyber Essentials Certified.
